PREFACE

This 10th edition of the **Directory of Caribbean Publishers** provides available contact information on publishers registered with the Caribbean Regional ISBN Agency from 2005 to first quarter in .

This edition includes occasional, personal and institutional publishers regardless of the number of items they may have published. Countries currently under the purview of the Group Agency are: Antigua and Barbuda, Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Jamaica, St. Kitts and Nevis, Saint Lucia, St. Vincent and the Grenadines, and Trinidad and Tobago.

This Directory is arranged in 2 sequences viz. by country and alphabetically by publisher. We are indebted to our 4 National ISBN Agencies viz. The College of the Bahamas, Belize National Library Service and Information System (BNLSIS), National library of Jamaica, and the National Library and Information System Authority (NALIS) in Trinidad and Tobago - which assist the Regional Agency in administering the ISBN Programme by liaising directly with the publishers within their individual territories.

The Group Agency acknowledges the hard work done by Staff member Cecily Johnson in formatting the Directory for publication.
