[Where evidence documents for exclusion criteria shall be submitted (for contracts with a value of less than the international thresholds supply < EUR 300.000) there is no obligation to submit the above mentioned documents. The Contracting Authority may however, where it has doubts as to whether the tenderer to whom the contract is to be awarded is in one of the situations of exclusion, require him to provide the evidence:

Please submit admissible proof or statement usual under the law of the country in which [you] [your firm] [each consortium member] is established that [you] [your firm] [each of the consortium members] does not fall into any of the exclusion situations listed in Section 2.3.3.1 of the Practical Guide, in accordance with the undertaking in the tenderer's declaration[s] included in your tender. Examples of the admissible supporting documents are provided in Section 2.3.3.3 of the Practical Guide. The date on the evidence or documents provided must be no earlier than 1 year before the date of submission of the tender. [You] [Your firm] [each consortium member] must, in addition, provide a statement that the situation has not been altered in the period that has elapsed since the evidence in question was drawn up.]

The contracting authority may waive the obligation of any candidate or tenderer to submit the documentary evidence referred to above if such evidence has already been submitted to it for the purposes of another procurement procedure and provided that the issuing date of the documents does not exceed one year and that they are still valid. In such a case, the candidate or tenderer shall declare on his/her honour that the documentary evidence has already been provided in a previous procurement procedure and confirm that no changes in his/her situation have occurred.

[For contracts over international thresholds (supply EUR300.000):

Furthermore evidence of the financial and economic capacity as well as the technical and professional capacity according to the selection criteria specified in the procurement notice have to be submitted for the following references <specify for which references evidence have to be submitted> (note that tenderers should only be asked to submit evidence for the published selection criteria) (see further point 2.4.11 of the Practical Guide).]

[For contracts with a value of less than the international thresholds (supply <EUR300.000) the Contracting Authority may, depending on its assessment of the risks, decide not to require proofs for selection criteria, but then no pre-financing shall be made unless a financial guarantee of an amount equivalent to the amount of the pre-financing is provided:

Evidence of financial and economic capacity as well as the technical and professional capacity according to the selection criteria specified in the procurement notice is not obligatory to submit but then no pre-financing shall be made unless a financial guarantee of an equivalent amount is provided.]

If the documentary evidence submitted is not written in one of the official languages of the European Union, a translation into the language of the procedure must be attached. Where the documents are in an official language of the European Union other than the one of the procedure, it is however strongly recommended to provide a translation into the language of the procedure, in order to facilitate the evaluation of the documents.

The documentary evidences may be in original or copy. If copies are submitted, the originals must be dispatched to the Contracting Authority upon request.

If the nature of your entity is such that it cannot fall into one or more of the exclusion situations and/or cannot provide the documents indicated above (for instance, national public administrations and international organisations), please provide a declaration explaining this situation.

Please take note of the possibility – as described in the instructions to tenderers – that the tender procedure may – under certain circumstances – be cancelled by the Contracting Authority. In no circumstances will the Contracting Authority be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a tender, even if the Contracting Authority has been informed of the possibility of damage.
