CONTRACT SPECIFICATION

5. Contract description

This project will advance the achievement of SDP 16- Peace Justice and Strong Institutions, an important objective of the Project under 1.4. Consequently, legal education and training must also envelop these philosophical ideals in the curriculum. Non-traditional areas such as Social justice and Human Rights, Alternative Dispute Resolution, Commercial and cross border and Environmental law will form part of the review process. The review will be committed to a more socially relevant, community based legal training which will lead to the desire to expand the clinical model of legal education.

The CLE will also interrogate whether its mandate logically necessitates an expansion of its legal education and training programmes to include new programmes in addition to its current Legal Education Certificate (LEC), currently offered for practising attorneys only. These additional programmes might include, for example, a Diploma Programme in Legal Skills, targeted for law clerks and related law actors, special programmes for law enforcement officers involved in court prosecutions, alternative dispute resolution certificates and the like. An initiative in this direction would considerably expand and upgrade the pool of judicial actors in the justice system.

7. Maximum budget

8. Scope for additional services

The CARICOM Secretariat may, at its discretion, extend the project in duration and/or scope subject to the availability of funding up to a maximum not exceeding the length and value of the initial contract. 11. Number of EOIs

No more than one (1) Expression of Interest (EOI) may be submitted by a natural or legal person, whatever the form of participation (as an individual legal entity or as leader or member of a consortium submitting an EOI). In the event that a natural or legal person submits more than one EOI, all EOIs in which that person has participated will be excluded.

12. Shortlist alliances prohibited

Any tenders received from tenderers comprising firms other than those mentioned in the short-listed EOI will be excluded from this Open Tender procedure unless prior approval from the CARICOM Secretariat has been obtained. Previous experience which would have led to a breach of contract and termination by the CARICOM Secretariat shall not be used as a reference. This is also applicable concerning the previous experience of experts required under a fee-based service contract.

A consultant may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must, in that case, prove to the CARICOM Secretariat that it will have at its disposal the resources necessary for the performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Such entities, for instance, the parent company of the consultant, must respect the same rules of eligibility, as the consultant.

If more than 6 eligible consultants meet the above selection criteria, the relative strengths and weaknesses of the EOIs of these consultants must be re-examined to identify the six best consultants. The only factors which will be taken into consideration during this re-examination are:

- a. the highest number of projects in criterion 3 (i)
- b. the project with the highest value in criterion 3 (i)
