03

START-UP FOUNDER

LAWTECH

Project/ Business:

Development of a virtual legal platform.

One-click legal service onboarding from qualified professionals with an interest in effective and efficient delivery of legal products.

Provides a bridge for connecting stakeholders delivering legal services with the consumer market.

Attorney Directory and Virtual Office Platform to facilitate online access to legal services in Trinidad and Tobago.

A close-up photograph of a person's hands holding a silver smartphone. The person is wearing a dark suit jacket over a white dress shirt. The background is dark and out of focus.

04

LAW + TECH

CUSP OF OPPORTUNITY

Law is not necessarily a fast forward moving field. In an age of robot lawyers, AI document draftsmen and smart contracts, it's a good idea for us all as members of society (including Attorneys) to manage and leverage the use of legal tech.

05

CAREER TIPS

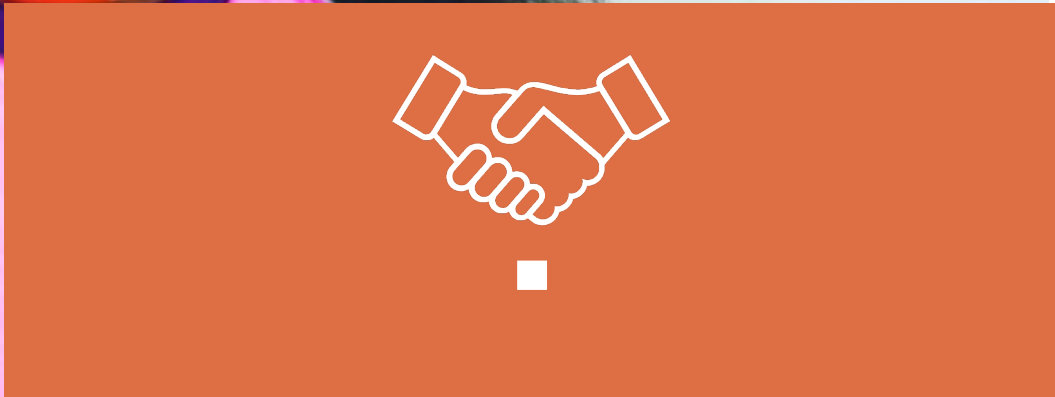

- Networking
- * Research Opportunities
- * Invest in Personal Development

||

"In a crowded marketplace, even a virtual one, consumer recognition and goodwill go a long way".

— Saelese Haynes, Attorney-at-Law
