WEBINAR

A Girls in ICT Day Event!

This is a Caribbean Girls in ICT Day event!

## Why Attend?

Learn to design a beautiful responsive website without any coding knowledge to deliver a seamless user experience across all ICT devices.

## Who Should Attend?

This is a Caribbean event for females aged eighteen years and older who are seeking to develop a business online.

A good fit for small business owners and solo-entrepreneurs who want to increase their brand exposure to a global community.

## To Register!

Register at:

[https://equals-hds.kune4u.com/caribbean23\\_registration/](https://equals-hds.kune4u.com/caribbean23_registration/)

The registration deadline is Thursday 27th April, 2023.

*Attendees are subject to the fulfillment of minimum attendance requirements to receive their e-certificate of participation.*

For more information, email: [tech4girls@tatt.org.tt](mailto:tech4girls@tatt.org.tt)
