

DOMINICA HOSPITALS AUTHORITY

VACANCY NOTICE

MANAGER INVENTORY CONTROL

Applications are invited from suitably qualified persons to fill the post of Inventory Control Manager at the Dominica Hospitals Authority. The Inventory Control Manager will oversee, monitor stock levels of products and supplies at hospitals and health facilities under the control of the DHA. He/she will also evaluate shipments, deliveries and product levels to improve inventory control levels. The job incorporates different aspects of management, such as monitoring, analysis, forecasting and reporting.

Competencies and Skills

- At least three (3) years experience in inventory control or in a similar role;
- Critical thinking skills and the ability to research, analyse, evaluate and solve problems;
- Ability to work with a variety of health care professionals;
- Proven accounting/computing and spreadsheet skills
- Team player with strong attention to detail
- Strong verbal and written communication skills.
- Computer and software skills.

Education and Training

The successful applicant should possess the following:

- A first degree in Accounting, Accounting and Management, Business Administration, Industrial Engineering or related field;
- Knowledge of data analysis, inventory management software, and forecasting techniques; post-graduate training or certification in Inventory Management would be an asset.
- Post-graduate training or certification in Inventory Management would be an asset.

Terms and Conditions

The position will be on a contractual basis for two (2) years with renewal upon satisfactory performance. The successful applicant will receive a compensation package based on qualifications and experience to include a basic salary, vehicle allowance and gratuity on successful completion.

Additional Information

Additional information on the duties and other conditions of service can be obtained from the Administrative Assistant, Office of the Chief Executive Officer, Dominica China Friendship Hospital (DCFH) by email to ceosecretary@domhospitals.dm or visit the website at www.dominica.gov.dm.
